

Item: PRESIDENTIAL CHAIR

The Tulip collection is a comfortable chair, with new formal and functional characteristics. Tulip represents an interesting and up-to-date solution to waiting areas and conference rooms, offering at the same time an elegant alternative to the traditional visitor chairs. Tulip is perfect for providing the environment with a clear and original image.

The Tulip Canneté model redefines the concept of the swivel chair by applying details of high-quality tailoring to the furniture.

TECHNICAL FEATURES**Shell:**

All-in-one seat and backrest made of padded and upholstered polyester foam.

Tulip version: armrests, backrest and seat feature vertical stitching.

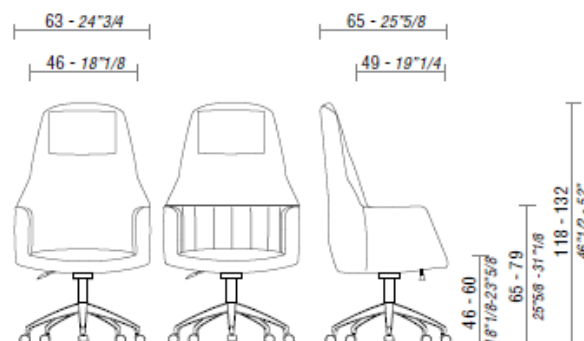

Canneté Tulip version: inner sides of backrest and seat featuring Canneté moulding; the edge of the backrest and arms are top stitched.

Base:

5-star base: made of polished aluminium mounted on self-braking, swivel casters in hard or soft rubber. Also available with caps.

MECHANISMS AND ADJUSTMENTS

Pivoted, tilt adjustment with rocking movement which can be locked in horizontal position.
